Patricia Borlongan

Junior Web Developer

👤 Profile

A passionate and enthusiastic Junior Web Developer with an eagerness to learn everyday.

💼 Employment History

Barista at Starbucks, St. Albert

September 2017 — Present

- Focused on customer satisfaction, made sure that the customers are having the best experience.

Barista at Second Cup, St. Albert

May 2016 — September 2017

- Promoted the local company brand, educated customers about basic coffee knowledge and sold handcrafted lattes.

🎓 Education

Digital Media and IT, Northern Alberta Institute of Technology, Edmonton

September 2017 — May 2020

- Currently studying Computer Software Development at NAIT. I have studied C#, SQL, Oracle PL/SQL programming, .NET application development, JavaScript, HTML/CSS, and PHP/MySQL development.

Bachelor of Science - Computer Science, Mapua University, Makati City, Philippines

August 2013 — April 2016

- Studied C++, C#, and SQL programming, along with Cisco Networking, a bit of Assembly Language, and basic HTML and CSS.

🌱 Extra-curricular activities

New Student Orientation Leader at NAIT, Edmonton

September 2018 — January 2019

- Welcomed new students to NAIT, did a presentation about the services the school offers to them, and a campus tour.

Volunteer Mentor at Canada Learning Code, Edmonton

August 2019 — September 2018

- Taught kids how to code using Scratch, Ruby and HTML/CSS.

Jobber JUMP Event - Let's Talk Tools! at Jobber, Edmonton

November 2018

- Learned about how Jobber uses InVision and GitHub in their workplace, and how I could use it in my career.
